Write About Yourself : My name is Laxmi Rema. I am studying in grade 10. My favorite subject is English. My favorite color is Black. My favorite game is the blindfold game. My favorite food is noodles. My favorite place to go is in the mountains. And I like to study. I like to chat with my friends.

Aim in life and future occupation : I want to become a government nurse when I grow up. I want to serve the poor people without money. I like to serve people. Please give me your blessings so that I can fulfil my dreams.

Write a brief description about your home in the village and surroundings : My village's name is Daipara. My house is made out of mud. There is a mango tree beside my house. There is a lot of pond in around my house and those ponds have a lot of fishes. There are a lot of people in my village. We all live together peacefully. My village's environment is very beautiful. I love my village.

Give a short description of your school and of the study environment : My school's name is Monosapara Adventist Seminary and School. My school is very beautiful covered with lots of coconut trees, buildings and green view sceneries. There are many ethnics people are studying here. We keep up campus neat and clean. The education system is good and teacher taught with kindness. They love us and we are obedient to them. It's a wonderful and beautiful campus.

What interesting story/experience have happened in your life/family : Once, we went for harvesting jackfruits from the tree. I went on the top of the tree to pluck the fruits. The jackfruits was ripen and when I wanted to hold it fall down on the shoulder of the my friend. I was laughing and she was crying on the ground. It was an accident but was a fun too. We did not get jackfruit for eating but it was really a fun for the day.

Teacher's remarks about the child : Luxmi Rema is a beautiful and talented girl. She dreams to be a nurse to help sick people. We need to help her to fulfill her dreams.
